TAMHO Annual Conference Goes Hybrid!

Due to the continued impact of the COVID-19 Pandemic, the TAMHO 2021 Annual Conference and Awards Ceremony is being designed as a hybrid event — both virtual and in-person attendance options.

Final plans will soon be announced. A proposed agenda is available on the left side of this page. Sponsorship categories are listed on subsequent pages.

TAMHO values the partnerships and support of our event sponsors over the years. Especially during this challenging time, we hope that each of you will continue your sponsorship. Both virtual and face to face options are being provided for your convenience.

We also look forward to establishing new partnerships with those of you who have recently reached out to inquire about TAMHO and our events.

Health and Safety Protocols

TAMHO is dedicated to ensuring a healthier and safer conference attendance for our event attendees, speakers, exhibitors, and staff. We are incorporating health and safety measures based on guidance from the Centers for Disease Control and Prevention (CDC), the State of Tennessee, and the local community that the event is taking place in, as well as the conference venue guidelines. Please note that due to the fluidity of the COVID-19 pandemic, health and safety protocols are changing frequently, so we recommend checking back periodically for updates.

The following protocols are in place for the TAMHO Annual Conference and all related functions on December 9-10, 2021 until further notice.

Proof of Vaccination
Required

Face Coverings
Expected

Hand Sanitizing
Recommended

We appreciate your understanding as we do our best to keep all attendees safe and healthy. If you are experiencing COVID related symptoms, we ask that you please refrain from attending the event in person. Your registration provides an option to pivot to virtual attendance should you need to change your plans.
